
DDAT2 ParentPay Privacy Notice

The ParentPay system has been successfully implemented in a number of DDAT2 schools and provides improved, modern services for parents. Many DDAT schools accept payments online for items such as dinner money, school trips and wrap-around care. ParentPay reduces bureaucracy and streamlines cash handling processes within schools and means children do not have to worry about losing money at school. ParentPay Ltd is a limited company and is registered with the Information Commissioner in terms of the requirements of the UK GDPR to hold and process personal information.
