

Executive Pay for the financial year ended 31st August 2023

Section 2.29 of the Academies Trust Handbook 2023 requires all academy trusts to publish details of the number of employees whose benefits exceed £100,000. This must be published in £10,000 bandings as an extract from the disclosure in its financial statements for the previous year ended 31st August. Benefits for this purpose include salary, other taxable benefits, and termination payments, but not the trust's own pension costs.

Please see the table below which is based on DDAT's annual report and financial statements for the year ending 31 August 2023.
