

Senior Finance Officer

Derby Diocesan Academy Trust Central Team

Closing date: Sunday 13th October 2024

Interview date: Monday 21st October 2024

Welcome from our CEO

Dear applicant,

Thank you for showing an interest in working for DDAT.

Our trust was established in 2014 for schools choosing to become an academy as well as for those who found themselves in need of a sponsor.

DDAT's vision is to build a better future for all within our academies who in turn will positively impact their communities.

The DDAT family of schools consists of both Church and non-Church schools who all work together to achieve the aims of the Trust as follows:

- Provide children with excellent educational provision
- Rapidly improve underperforming schools
- Develop effective school-to-school support
- Build strong relationships and promote work with external partners
- Raise aspirations and tackle disadvantage so that no pupil is failed by their school.

DDAT academies demonstrate their distinctiveness by providing an inspirational and holistic education that enables all children and staff to develop and achieve their full potential. Church schools within DDAT are not faith schools for the faithful, but Church schools for the community.

We want our children and young people to be able to 'experience life in all its fullness' and although this phrase is rooted in a Christian narrative (taken from John 10:10), irrespective of a faith perspective, that is what all of us want for our pupils. This has been borne out by the number of community schools that have chosen to join DDAT, signing up to the vision and values that have children at their core.

I very much hope you are encouraged to apply for the position and if successful, I look forward to meeting you in the near future.

Yours faithfully,

Sarah Clark (Chief Executive Officer – Derby Diocesan Academy Trust)

Working for DDAT

Governance

DDAT values local accountability through a Local Governing Body. In the circumstances where a school is less than good, DDAT will take responsibility for governance and work to quickly rebuild the capacity of leaders at all levels so that the school regains earned autonomy.

Curriculum

All DDAT schools follow the National Curriculum and supplement it with a vast range of extra-curricular activities which bring learning to life for all pupils.

Terms and Conditions

DDAT aims to ensure consistency of terms and conditions at the time of conversion and also for new staff joining after conversion. As such all staff should be treated no less favourably than they would within a LA school whilst working for DDAT.

External Partners

DDAT works closely with external partners such as Local Authorities, Universities and Teaching Schools. DDAT broker support across church and community schools and purchase services from a range of providers, including the LA, in the best interest of the school. DDAT encourages full involvement with other schools and regional initiatives.

Support

DDAT provides business, legal, finance, building, HR and governance support through a hub team. Our schools are only one call away from the help they need.

School Improvement

All schools, including Good and Outstanding schools, receive a minimum of six visits per year from one of our own team of school improvement professionals. All of our own team undertaking these minimum visits have experience as Head Teacher, Local Authority Adviser/Partner and Inspector on behalf of Ofsted. Additional school-school and system-wide support is actively encouraged with other DDAT schools, the diocese, one of our many partners, or a proven partner identified by the school. Our diocesan team also includes people with considerable experience of Church school inspection.

Continuous professional development (CPD)

DDAT believe that all staff should continue to grow as professionals and as people. Our ethos of working to fulfil every individual's potential applies to staff as well as to pupils.

DDAT staff are involved in a continuing process of improvement and we are committed to fostering a positive belief and practice in continuous learning. Continuing Professional Development (CPD) is an important way of motivating and developing our staff and a carefully planned programme of DDAT CPD improves standards, raises morale and assists with recruitment, retention and succession planning.

All those involved in our school community will have an entitlement to equality of access to high-quality induction and continuing professional development. The focus of DDAT CPD is on improving standards and the quality of teaching and learning.
